

OWASP SAN FERNANDO VALLEY - MEETING SPONSORSHIP PROSPECTUS

V1.0, August 2026

WHO YOU REACH

OWASP San Fernando Valley runs a monthly evening meeting for the people who build and run software in the Valley: developers, application security engineers, QA and test professionals, students, and the people who decide what their teams use. Meetings are free and open to anyone, with no membership required. We expect 20 to 50 attendees.

OWASP is the Open Worldwide Application Security Project, a US 501(c)(3) nonprofit, EIN 20-0963503. The IRS determination letter is published at <https://owasp.org/finance/>

WHAT SPONSORING A MEETING COVERS

Venue, food, and drinks for one meeting, typically \$1,000 to \$2,500. There are two ways to do it, and we can work with you to help you select the best option:

- Pay the caterer or venue directly. This is the route the OWASP Foundation encourages, and it is the simplest.
- Donate to the OWASP Foundation using our chapter link, which credits the donation to this chapter:

<https://owasp.org/donate?reponame=www-chapter-san-fernando-valley&title=OWASP+San+Fernando+Valley>

A donation to OWASP is a gift to a 501(c)(3); paying a caterer is a business expense. If you donate, the OWASP Foundation processes the payment and issues the donation acknowledgement. OWASP San Fernando Valley does not issue invoices or receipts.

WHAT YOU GET

One sponsor per meeting, so you are not competing for attention. That is twelve slots a year.

- A table at the meeting for your banner and literature
- Five minutes at the start of the meeting to introduce your company and what you do
- Time with attendees for about half an hour before the talks and again afterwards
- Attendance to OWASP SFV meetings is complimentary, your colleagues can join if they register
- Your logo and a one-line description of your company on our chapter page at <https://owasp.org/www-chapter-san-fernando-valley>, kept up for at least a year
- Your name and logo on the LinkedIn announcements for the meeting you sponsor
- A thank-you in the description of the recording, if the meeting is recorded
- Dinner at the meeting with attendees
- A raffle from your table, if you want to run one

WHAT WE CANNOT DO

- OWASP is vendor neutral. We thank sponsors. We do not endorse them.
- We do not share attendee lists. Anyone who wants to hear from you can leave their details at your table or enter your raffle.
- Speaking slots for technical talks go through our open call for speakers, on the same footing as everyone else. If we accept a talk and that speaker's company then wants to sponsor the meeting, that is welcome. It does not work the other way round: sponsoring does not get anyone a speaking slot.

Everyone at the meeting, your team included, is covered by the OWASP Code of Conduct:

<https://policy.owasp.org/operational/code-of-conduct>

WHEN WE MEET

Generally, the fourth Tuesday of the month, starting at 5:30 PM, for about three hours, with dinner. A few exceptions, e.g., December and the Tuesday before Thanksgiving, or when we do joint meetings with other chapters or organizations.

WHAT WE NEED FROM YOU

At least two weeks before the meeting, please send:

- Your logo, as SVG/PNG with a transparent background (preferred) or JPG.
- A link to your website
- One or two sentences describing your company
- The name/contact info of a contact for the evening
- Raffle prize details, if you are running one

CONTACT

edward.bonver@owasp.org; or please contact any of the chapter leaders.
